

MOVING FORWARD ON THE ISSUES THAT MATTER MOST TO YOU

This fall, your Conservative Government will move forward on key commitments made during the election. Your government will meet those commitments by:

1. Abolishing the wasteful and ineffective long-gun registry;
2. Continuing debate on Bill C-7 which will establish Senate terms for nine years and allow for the election of Senators from each province; and
3. Establishing the Pooled Registered Pension Plan, improving the retirement security income system for all Canadians.

The National Air Force Museum Education Program

The National Air Force Museum Education Program is a new educational program that was announced earlier this year by Chris-Edward Scott of Trenton. Mr. Scott's educational program is designed to attract grade six, nine and ten students to develop their understanding of the historical and current role of the Royal Canadian Air Force. This program provides information to youth in the riding about the important role of the RCAF in global affairs and the presence of CFB Trenton in our riding.
