

PROUDLY HONOURING THE ACHIEVEMENTS OF NORTHUMBERLAND–QUINTE WEST CITIZENS

Angus and Bernice Read

Angus and Bernice Read embodied the spirit of community and giving back. They both passed away this fall and to say the community lost two great people, would be agreed by many who knew them. Angus spent 42 years serving his country in the Military, retiring as a Major, and another 9 serving his town of Cobourg as the Mayor.

Bernice was with him every step of the way supporting and giving back to the community. As a nurse she was with the Victorian Order of Nurses, always giving to those in need.

Angus and Bernice were always together at functions in and around Northumberland, promoting the good of the community. Before Angus passed away he made a large donation to the new sports complex in Cobourg and started a nursing scholarship in memory of Bernice. Indeed, our community has lost two fine citizens.

Budget 2011 Consultation

The next phase of Canada's Economic Action Plan will maintain the Government's **focus on the economy, jobs, and growth**, while responsibly balancing the budget and reducing the deficit.

The Government of Canada is committed to fiscal sustainability and a return to balanced budgets over the medium term.

This will be achieved by **ending stimulus funding as the economy recovers, restraining growth in government spending through targeted measures, as well as undertaking a comprehensive review of government operations and costs.**
