## Bill C-428: An Act to amend the Old Age Security Act (residency requirement)

- This is a Liberal Private Member's Bill introduced by Ruby Dhalla, MP for Brampton-Springdale and seconded by Bob Rae, MP for Toronto Center.
- This proposed enhancement amends the Old Age Security Act to reduce the residency requirement from ten years to three years to gain entitlement to a monthly pension.
- Rick believes the current 10 year requirement period strikes an appropriate balance between an individual's contribution to Canadian society and the economy and his or her access to a lifelong, publicly funded benefit.
- "This would cost over \$700 millions dollars to Canadians and is socially irresponsible." - Rick

**I will not be supporting this bill.**

## ***Improving Access to Employment Insurance (EI)***

### ***Parental Benefits for Military Families***

Members of the Canadian Forces put their lives on the line for Canada. Your Government is proud to support them, and their families, as they fulfill their military commitments.

This is why your Government is introducing changes to extend the EI parental benefits by 52 weeks - to a maximum of 104 weeks. We are also making improvements to the EI system to make it easier to access EI sickness benefits for immediate members family following death of a loved one from a service-related injury.

These changes are just one of the ways your Government is working to ensure a fair and accessible EI program for all Canadians. For more information about current EI initiatives, I encourage you to visit the human resources and skills development online at [www.hrsdc.gc.ca](http://www.hrsdc.gc.ca).
