# STANDING UP FOR VETERANS

- A merit-based selection process at the Veterans Review and Appeal Board has ensured that Veterans, Canadian Forces Members, RCMP applicants and their families are served by the most qualified and capable Members. Today, the Board has a manageable workload and remains committed to effective operations and fair decision-making.
- We've introduced a Veterans' Bill of Rights that strengthened the Government's ability to respond quickly and fairly to the concerns of Canadian veterans. The Bill of Rights recognizes the service of Veterans to Canada and to keep alive the memory of their achievements and sacrifices.
